

KEEPING HISTORY ABOVE WATER: LOOKING BACK, MOVING FORWARD

October 21-23, 2026 • Newport, Rhode Island

Celebrating the 10th Anniversary of the Newport Restoration Foundation's ground-breaking Keeping History Above Water™ Initiative focused on resiliency in the wake of climate change.

Why Partner with Keeping History Above Water?

As a sponsor, your company will:

- Gain brand visibility and recognition with local, regional, and national audiences
- Align your brand with climate resilience, sustainability, and community-impact initiatives
- Connect with regional experts, practitioners, policy makers, and other stakeholders
- Support education and solutions for at-risk coastal communities in Newport
- Showcase your business to NRF's full audience of over 80,000 visitors to the NRF website annually, 10,000+ subscribers to NRF's eNews and 18,000+ followers on NRF's social media platforms with a monthly reach of over 100,000 combined

Symposium & Audience Snapshot

- 100+ in-person professional attendees over 3 days
- 10+ sessions featuring leaders in the field and resilience experts
- Public, private, and nonprofit sector decision-makers

Keeping History Above Water: Looking Back, Moving Forward

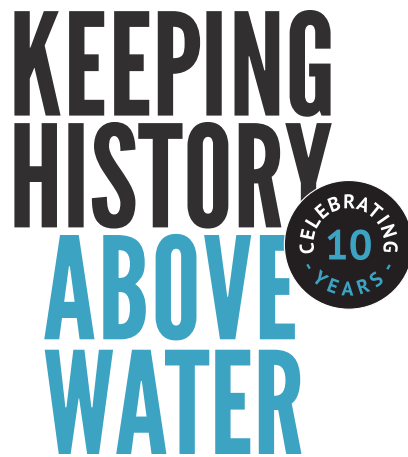

10 years of resiliency in the wake of climate change
